

ArtNo.

LA9627

Description

SHRUBBY Series LED street light has patent owned design, fashion and beautiful appearance, and the main components of the lamp body with Stainless Steel material, surface spray resistant UV epoxy molding powder and LED phase dimmable ,good corrosion resistance of the translucent cover for transparent PC, anti ultraviolet corrosion resistant to high and low temperature. The main part of pole quality carbon structural hot dip galvanized steel. Use stainless steel fastening screws, high and low temperature high strength silicone rubber seal.

Technical Data

LIGHT SOURCE	LED
POWER	150W
INPUT	AC100i½ž277V HZ50/60
LUMEN	13000lm
LIFE TIME	30000HRS
PF	>0.9
WORKING TEMP	-35~55Â°C
MATERIAL	STAINLESS STEEL
DIFFUSER	PC
DIMENSION	2800x2737x5500mm
IP RATING	IP65 Â

Product Characteristics

Beam Angle	Diffused
CCT	2700K, 3000K, 4000K, 6000K
CRI	80
Finish	Black With Sand, White With Sand, Matt Dark Grey
