

**ArtNo.**

LT006C0200EM

**Description**

Your LED lighting system's heart and soul is our LED driver. It's for this reason that Lumitronix LED Drivers are so important. Lumitronix offers a variety of LED drivers and controllers to suit various lighting needs.

**Technical Data**

Parameter	Value
Input Voltage	240V AC
Output Voltage	12V DC
Output Current	1.5A
Power	18W
Efficiency	> 90%
Temperature Range	-20°C to 60°C
Dimensions	100mm x 50mm x 20mm
Weight	10g
