

**ArtNo.**

LD153607C

**Technical Data**

|              |                  |        |           |                                |                    |                   |              |                          |            |
|--------------|------------------|--------|-----------|--------------------------------|--------------------|-------------------|--------------|--------------------------|------------|
| LIGHT SOURCE | DIRECT LED POWER | 20W CW | 18V INPUT | 60-90 DIMM RANGE LED LIFE TIME | 50,000HRS WARRANTY | 5 YEARS IP RATING | PCB MATERIAL | PURE ALUMINIUM DIMENSION | 8000H/24MM |
|--------------|------------------|--------|-----------|--------------------------------|--------------------|-------------------|--------------|--------------------------|------------|

**Product Characteristics**

|        |              |
|--------|--------------|
| CCT    | 3000K        |
| FINISH | WHITE, BLACK |
